

Carry Me Through

Dave Barnes

There's a mountain here before me
And I'm gonna climb it with strength not my own
And He's gonna meet me where the mountain beats me
Carry me through, carry me through

There's a river here before me
And I'm gonna cross it with strength not my own
He's gonna save me where the river takes me
Carry me through, carry me through

But Lord be gentle for I'm just a man
Please don't crush me (please don't crush me)
With your Heavenly hand
Oh Lord remember, I try so hard
I'm walkin' tall (walkin' tall)
To the Kingdom, Lord

There's a city here before me
And I'm gonna get there with strength not my own
He's gonna carry me when I get weary
Carry me through, carry me through

Oh Lord be gentle, I'm just a man
Please don't crush me (please don't crush me)
With your Heavenly hand
Oh Lord remember, I try so hard
I'm walkin' tall (walkin' tall)
To your Kingdom, Lord

Hallelujah (hallelujah) (3x)
Carry me through
Hallelujah (hallelujah) (2x)
Oh sweet Lord
Carry me through
