

# Find Your Way Home

Dave Barnes

All you saints and sinners  
All you, troubled ones  
Everyone forgotten  
Everyone undone

We're all scared, don't worry  
At this darkness that won't subside  
But what you can't see  
Will make sure you'll be alright

You'll find your way home  
You'll find your way back home

Come on if you're worthy  
Come on if you're wrong  
There's a choir singing  
Out a freedom song

We all need help, don't worry  
This darkness will turn to light  
What you can't see  
Will make sure you'll be alright

You'll find your way home  
You'll find your way back home

Just follow the light, you'll be alright  
I swear that you aren't alone  
You'll find your way home

I'll be waiting  
I'll be waiting  
We'll keep waiting up  
(4x)

You'll find your way home (We'll keep waiting up)  
You'll find your way back home (We'll keep waiting up)

Just follow the light, you'll be alright  
I swear that you aren't alone  
You'll find your way home  
(I'll be waiting, I'll be waiting, we'll keep waiting  
up)  
You'll find your way back home  
(I'll be waiting, I'll be waiting, we'll keep waiting  
up)  
You'll find your way home

I'll be waiting  
I'll be waiting  
We'll keep waiting up
