

Greyhound

Dave Barnes

Greyhound, Greyhound
Get my baby back now
In one piece, safe and sound
On Greyhound

My baby bought a ticket, can't wait to see her face
Coming back to Tennessee from a million miles away
She got on this morning
Get here this afternoon
Pick up the pace, can't get here too soon

Greyhound, Greyhound
Get my baby back now
In one piece, safe and sound
On Greyhound
(X2)

I know her phone is ringing
She can't hear the sound
Drowned out by them big ol wheels eating up the ground
Jackson Mississippi, Memphis Tennessee
Two more hours til she's here with me

Greyhound, Greyhound
Get my baby back now
In one piece, safe and sound
On Greyhound
(X2)

Lord, You've been so good to me
Faithful friends and family
No I don't deserve it Lord.
But one thing I pray
On that big ol' bus You'll keep her safe.

Greyhound, Greyhound
Get my baby back now
In one piece, safe and sound
On Greyhound
(X2)

I can't believe she's coming back home
To me.
