

Little Civil War

Dave Barnes

I've had a little time to think about it,
You've had a whole lot of time to mess it up.
But I don't wanna live without the love that you give,
But I could live without all of your junk.

You always interrupt when I'm...
Baby, I wouldn't but you never listen when I talk.
I don't know what I'd do, if I didn't have you,
Darling maybe you'd be better off.

And ooh, it's like fireworks, baby, when we get like this.
Ooh, things that make us both crazy are the things that we'd miss.
Ooh, there ain't nobody else I wanna fight with more.
But we both win, when it ends with a kiss,
That's for sure in our little civil war.

You're a little bit more than I can handle,
Well sometimes you ain't enough.
Won't you just admit, that baby you do this,
So we can get to the making up.

And ooh, it's like fireworks, baby, when we get like this.
Ooh, things that make us both crazy are the things that we'd miss.
Ooh, there ain't nobody else I wanna fight with more.
But we both win, when it ends with a kiss,
That's for sure in our little civil war.

There's nobody, that needs somebody, baby, like I need you.
And ooh...
And ooh...

Ooh, it's like fireworks, baby, when we get like this.
Ooh, things that make us both crazy are the things that we'd miss.
Ooh, there ain't nobody else I wanna fight with more.
But we both win, when it ends with a kiss,
That's for sure in our little civil war.
In our little civil war.
