

Loving Los Angeles

Dave Barnes

LA girl, Cali queen.
Dipping your toes in the seldom scene, oh baby, ooh.
But I guess you did what you thought you should
And it ain't doing my heart no good, oh baby, oh no.

Now I don't know what to do.
Killing time, just waiting on you.

We could have had that good good good easy loving,
That makes the hard times go away.
I tried all I could,
But it isn't really doing me any good.
I'm as low as lonely gets,
And I hear you're loving Los Angeles.

Cali's got the ocean breeze.
But you and I, honey, got history, oh baby, ooh.
And I hear your dreams are coming true
But I got things I wanna dream with you, oh baby.

Now I don't know what to do.
Am I wasting time here waiting on you?

We could have had that good good good easy loving,
That makes the hard times go away.
I tried all I could,
But it isn't really doing me any good.
I'm as low as lonely gets,
And I hear you're loving Los Angeles.

You're the only I've been waiting on.
You're the only I've been waiting on.
You're the only one I'll keep waiting on.
You're the only I've been waiting on.
You're the only I've been waiting on.
You're the only one I'll keep waiting on.

We could have had that good good good easy loving,
That makes the hard times go away.
I tried all I could,
But it isn't really doing me any good.
I'm as low as lonely gets,
And I hear you're loving Los Angeles.

Honey, honey, honey, I wanna wait on you.
Honey, honey, honey, I wanna wait on you.
Honey, honey, honey, I wanna wait on you.
