

On A Night Like This

Dave Barnes

On a night like this,
I could fall in love, I could fall in love with you
In this dark so dense, we talk so soft
The way young lovers do.

The day's last sigh
Turns a cool night's breeze
And this love hangs thick like these willow leaves
I've hid myself away from this
But your silhouette is a Judah's kiss

On a night like this
The moon sits still and the stars are are watching too
The way you move Is a lullaby
I could fall in love with you

The day's last sigh
Turns a cool night breeze
And this love hangs thick like these willow leaves
I've hid myself away from this
But your silhouette is a Judah's kiss

On a night like this
I could fall in love, I could fall in love with you
