

# Down

Dave Days

(Intro - Guitar solo)

(Verse 1)

You oughta know, tonight is the night to let it go,  
Put on a show, i wanna see how you lose control,

(Bridge)

So leave it behind 'cause we, have a night to get away,  
So come on and fly with me, as we make our great escape.

(Chorus)

So baby don't worry, you are my only,  
You won't be lonely, even if the sky is falling down,  
You'll be my only, no need to worry,  
Baby are you down down down down down,  
Down, Down,  
Baby are you down down down down down,  
Down, Down,  
Even if the sky is falling down,

(Verse 2)

Just let it be, come on and bring your body next to me,  
I'll take you away, hey, turn this place into our private getaway,

(Bridge)

So leave it behind 'cause we, have a night to get away,  
So come on and fly with me, as we make our great escape,

(Chorus)

So baby don't worry, you are my only,  
You won't be lonely, even if the sky is falling down,  
You'll be my only, no need to worry,  
Baby are you down down down down down,  
Down, Down,  
Baby are you down down down down down,  
Down, Down,  
Even if the sky is falling down,

I'm your biggest fan  
I'll follow you until you love me  
Papa-paparazzi  
Baby there's no other superstar  
You know that I'll be

I promise I'll be kind  
But I won't stop until that boy is mine  
Baby you'll be famous  
Chase you down until you love me
