

# Love Story

Dave Days

We were both young, when I first saw you.  
I close my eyes and the flashback starts  
I'm standing there, on a balcony of summer air.

I see the lights; see the party, the ball gowns.  
You see me make my way through the crowd  
And say hello, little did you know...

That I was Romeo and I was throwing pebbles  
And your daddy said, "Stay away from Juliet"  
And you were crying on the staircase  
Begging me please don't go...  
And I said...

Juliet I'll take you somewhere, we can be alone.  
Just keep waiting; all there's left to do is run.  
I'll be the prince and you'll be the princess,  
It's a love story, baby, just say yes.

So I sneak out to the garden to see you  
And we keep quiet, because we're dead if they knew  
So close your eyes... Escape this town for a little while.

Cause I was Romeo - You were a scarlet letter,  
And your daddy said "Stay away from Juliet"  
But you were everything to me  
And you were begging me, please don't go,  
And I said...

Juliet I'll take you somewhere, we can be alone.  
Just keep waiting; all there's left to do is run.  
I'll be the prince and you'll be the princess,  
It's a love story, baby, just say yes.

Romeo save me, they're trying to tell me how to feel.  
This love is difficult, but it is real.  
Don't be afraid, we'll make it out of this mess.  
It's a love story, baby, just say yes.

I got tired of waiting,  
Wondering if you were ever coming around.  
My faith in you is fading,  
When I met you on the outskirts of town.  
You said...

"Romeo save me, I've been feeling so alone.  
I keep waiting, for you but you never come.  
Is this in my head, I don't know what to think,"  
Then I kneel on the ground and pull out a ring and said...

Marry me Juliet, you'll never have to be alone.  
I love you, and that's all I really know.  
I talked to your dad-you'll pick out the white dress  
It's a love story, baby just say... yes.

We were both young when I first saw you.
