

My Youtube Song

Dave Days

When I wake up every day, I get on Youtube and check my front page

I scroll I scroll and what do I see, Oh what a surprise I don't see me!

Youtube Youtube oh oh Youtube Youtube

All I want to do is sit in my room and Youtube Youtube...today

All my video views ain't so high why the heck wont you subscribe to me!

I'm so alone

Youtube Youtube oh oh Youtube Youtube

All I want to do is sit in my room and Youtube Youtube

Oh oh Youtube Youtube oh oh Youtube Youtube

All I want to do is sit in my room and Youtube Youtube ...today
...today...today...Go.

Youtube Youtube oh oh Youtube Youtube

All I want to do is sit in my room and Youtube Youtube
