

You've Been On My Mind

Dave Days

I don't know how we happened we just kind of did
I was being sarcastic and asked for a kiss
You've been on my mind
Waaaooohhh
You've been on my mind
Waaaooohhh

I don't know what to call us but you're cool with that
I told you I was nervous, you smiled and laughed
You've been on my mind
Waaaooohhh
You've been on my mind
Waaaooohhh

I won't say goodbye

I won't let you go (go) all alone
Keep me inside
When I'm strung out, full of doubt
You keep me alive
With the smile on your face and the hair in your eyes
I won't let you go this time
I won't let you go
Won't let you go

I've lost track of the days since you've entered my life
They all think that we're crazy, I tell them they're right
You've been on my mind
Waaaooohhh
You've been on my mind
Waaaooohhh

I won't say goodbye
(I won't say it, I won't say it)
I won't say goodbye
I won't let you go (go) all alone
Keep me inside
When I'm strung out, full of doubt
You keep me alive
With the smile on your face and the hair in your eyes
I won't let you go this time
I won't let you go

I won't let you go (go) all alone
Keep me inside
When I'm strung out, full of doubt
You keep me alive
With the smile on your face and the hair in your eyes
I won't let you go this time
I won't let you go
I won't let you go

I won't say goodbye
I won't say goodbye
I won't say goodbye
(I won't say it, I won't say it)
You've been on my mind

I won't let you go (go) all alone
Keep me inside
When I'm strung out, full of doubt
You keep me alive
With the smile on your face and the hair in your eyes
I won't let you go this time
I won't let you go
I won't let you go

Waoohhh
You've been on my mind
I won't let you, I won't let you go
Waaaoohhh
You've been on my mind
I won't let you, I won't let you go
