

You

Dave Days

You and your face you keep me up you keep me hoping
One of these days you might come around my way
I'd speak up just enough to make it clear that I'm here

I'm crazy for you and you don't have a clue
If I keep waiting you'll be taken till there's nothing I can do

You're down to Earth and I'm so lost in space
You bring me back on my feet as if I've never been there before
I, I don't know where this goes but I'll take the chance cause
I've got to know

I'm crazy for you and you don't have a clue
If I keep waiting you'll be taken till there's nothing I can do
Yeah I'm crazy for you and you don't have a clue
There's no timing worth buying, no this I have to do

I'm crazy for you and you don't have a clue
If I keep waiting you'll be taken till there's nothing I can do
Oh I'm crazy for you and you don't have a clue
No, there's no timing worth buying, no this I have to do

You and your face you keep me up you keep me hoping
