## **But I Forget You Know Me Pretty Well**

## **Dave Dudley**

What makes you think I'm just a weakly that I'll take you back from now until You know I think that's kinda funny but I forget you know me pr etty well What do you mean you think I want you that I still need you you can tell After the way you dropped it on me but I forget you know me pre tty well You told me to go that there was no more you called me your stu ff so I call your bluff Then you went to him now you're back again And you think I'll go back out there on that lamb what do you t hink I am Tell me that I'll go right back through your mill You know I gotta hand it to you cause I forget you know me pret ty well You told me to go... Cause I forget you know me pretty well It's in my mind you know me pretty well yeah I forget you know me pretty well
