## **Dave Dudley**

Put your sweet lips a little closer to the phone
Let's pretend that we're together all alone
I'll tell the man to turn the jukebox way down low
And you can tell your friend there with you he'll have to go
Whisper to me darling do you love me true or is he holding you
the way I do

Though love is blind make up your mind I've got to know Should I hang up or will you tell him he'll have to go You can say the words I wanna hear while you're with another man

So darling answer yes or no and I will understand
So put your sweet lips a little closer to the phone
Let's pretend that we're together all alone
I'll tell the man to turn the jukebox way down low
And you can tell your friend there with you he'll have to go
And you can tell your friend there with you he'll have to go
