

I Feel A Cry Coming On

Dave Dudley

Oh she just walked out the door and I know she won't be back anymore

The echo of her footsteps have gone and now I feel a cry coming on

Her picture on the table smiles at me the sweet tender love is there to see

Yesterday that sweet love was my own but now I feel a cry coming on

Yes I feel a cry coming on and for the first time in my life I'm all alone

Everything I love is gone and now I feel a cry coming on

Yes I feel a cry coming on...
