

## Just Call Me Lonesome

Dave Dudley

Why must I love the heartless one who'll never know the harm she's done  
Though love is blind I should have known just call me lonesome  
from now on  
I climb the stairs up to my room but there's no one to meet me  
in the gloom  
The silence tells me she is gone just call me lonesome from now  
on  
These walls will hide me when I cry and I hope that heaven lets  
me die  
What good is life when hope is gone just call me lonesome from  
now on  
Just call me lonesome from now on
