

# Lonely Man

Dave Dudley

From the dark and lonely part of town comes a man nobody wants  
around  
Dressed in black I cry across the land it's a hurt it's a pain  
it's lonely man  
I am lonely man lonely and blue you'll never know I never did g  
et over you  
My longing for you is the best kept secret in the land  
It's a hurt it's a pain it's lonely man

Nobody knows my true identity they'll never know how much you'r  
e hurting me  
A smile is my disguise and that's my plan it's a hurt it's a pa  
in it's lonely man  
I am lonely man...  
It's a hurt it's a pain it's lonely man
