

Lonely Man

Dave Dudley

From the dark and lonely part of town comes a man nobody wants
around

Dressed in black I cry across the land it's a hurt it's a pain
it's lonely man

I am lonely man lonely and blue you'll never know I never did g
et over you

My longing for you is the best kept secret in the land

It's a hurt it's a pain it's lonely man

Nobody knows my true identity they'll never know how much you'r
e hurting me

A smile is my disguise and that's my plan it's a hurt it's a pa
in it's lonely man

I am lonely man...

It's a hurt it's a pain it's lonely man
