

## Please Let Me Prove (My Love For You)

**Dave Dudley**

Oh please let me prove my love for you don't make me suffer I beg of you  
I wanna show only real love can do oh please let me prove my love for you  
Our love in the past has left its mark so now you resist this love of ours  
You're so afraid that I won't be true oh please let me prove my love for you  
I wanna show only real love can do oh please let me prove my love for you
