

Sugarland U.s.a.

Dave Dudley

Headin' back to sugerland USA I been so lonesome ever since I w
ent away
This time I'm a going back to stay with my sugar in sugerland U
SA
I gotta keep these big wheels rolling on I can see sugerland do
wn the road
And my sugar is waiting patiently right there in sugerland USA
Where sugar is sweeter and loving nights are longer
Sweet love never dies it gets sweeter and stronger
Back home in sugerland USA where the living is easy everyday
You can bet this time I'm gonna stay with my sugar in sugerland
USA
With my sugar in sugerland USA
