## **Three Hearts In A Tangle**

## **Dave Dudley**

Three hearts in a tangle which heart will I break
Tonight as I sit by my window watching the people go by
I'm trying to reach a decision but I know I can't do what's rig
ht

Three hearts in a tangle which heart should I take Three hearts in a tangle which heart will I break

If I choose the one that I should choose then the other heart  $\boldsymbol{w}$  ould break

But if I'll leave them both then I'd suffer which heart will pay for my mistake

Three hearts in a tangle Which heart will I break
