

Baby I Love You

Dave Edmunds

Have I ever told you how good it feels to hold you
It isn't easy to explain

And though I'm really trying I think I may start crying
My heart can't wait another day
When you hold me I just gotta say

Baby I love you C'mon baby
Baby I love you Ooh-baby
Baby I love only you

I can't live without you I love everything about you
I can't help it if I feel this way

Oh, I'm so glad I found you I want my arms around you
I love to hear you call my name
Oh, tell me that ya feel the same

Baby I love you C'mon baby
Baby I love you Ooh-wee- baby
Baby I love only you
