

# Every Time I See Her

Dave Edmunds

Word spill out on an empty page,  
Every time I see her,  
My friends say 'better act your age',  
Every time I see her.

I don't care if it seems I've lost my mind,  
Is it just imagination or does something crazy happen every time?

I wanna hold her but I lose my grip,  
Every time I see her,  
I fall in love coz I always drift,  
Every time I see that girl.

I try to turn away but I gotta look back,  
Every time I see her,  
I feel like a train coming off the track,  
Every time I see her.

I don't know if it seems I've lost control,  
I don't know if what I'm feeling is really love, I just don't know.

I wanna tell her that I love her but I lose my nerve,  
Every time I see her,  
My tongue gets tied and I'm lost in the words,  
Every time I see her.

I wanna hold her but I lose my grip,  
Every time I see her,  
I fall in love coz I always drift,  
Every time I see that girl.

I don't care if it seems I've lost my mind,  
Is it just imagination or does something crazy happen every time?

I try to stay cool but I lose my head,  
Every time I see her,  
She looks me in the eyes and my brain goes dead,  
Every time I see her.

I don't know if it seems I've lost control,  
I don't know if what I'm feeling is really love, I just don't know.

I wanna hold her but I lose my grip,  
Every time I see her,  
I fall in love coz I always drift,  
Every time I see that girl.

I wanna tell her that I love her but I lose my nerve,  
Every time I see her,  
My tongue gets tied and I'm lost in the words,  
Every time I see that girl.

Every time I see that girl.  
Every time I see that girl.  
Every time I see that girl.  
Every time I see that girl.  
Every time I see that girl.

Every time I see that girl.
