

Home in my hand

Dave Edmunds

Well, went down to the Greyhound Station
To catch an outbound dog
I got my ticket from a man
He said, Son you wanna check your bags?
I said, No thank you sir, I carry my home right in my hand

I got my home in my hand, and I'm a travellin' man
When I need a woman, I want a one-night stand
Yeah, I move pretty quick cause I got my home in my hand

I don't know what makes me ramble
And I guess I really don't care
I feed one mouth, and that's my own
Well, just like trouble you can find me
On the corner of any two streets
Smoking up weed and sitting on my own

I got my home in my hand, and I'm a travellin' man
When I need a woman, I want a one-night stand
Yeah, I move pretty quick cause I got my home in my hand

Got my home in my hand, and I'm a travellin' man
When I meet a woman, I want a one-night stand
Yeah, I move pretty quick cause I got my home in my hand

I got my home, my home in my hand
I got my home, and I'm a travellin' man
I got my home, my home in my hand
I got my home in my hand, and I'm a travellin' man
I got my home, and I'm a traveling man
I got a home in my hand, and I'm a travellin' man
I got my home, my home in my hand
I got my home in my hand, and I'm travellin' man, oh
