

## Hold On

Dave Gahan

You keep sending me all these things  
I'm learning how to smile  
You keep sending me all these things  
I think I'll stay a while

Tried to talk to you in my dream  
You looked at me and smiled  
Your smile said to me  
I'll have to wait a while  
I have to wait a while

Hold on You opened my eyes today  
Hold on Another surprise

You keep giving me all these things  
I see them in your smile  
You keep giving me all these things  
I think I'll stay a while

I guess I'll stay a while
