

Maybe

Dave Gahan

Running around a gigantic tree
Round and round
I can't shake free
Maybe

Looking behind you're much closer to me
The man I fear
He lives inside of me
Maybe

I know I can swim
but what if I drown
I know I can't win
When you're not around
Maybe

Thought you left me when I put her down
I know I can swim
But what if I drown
Maybe

Standing in the middle of a crowded room
Feels like hell
Take me home soon
Maybe

I know I can swim
but what if I drown
I know I can't win
If you're not around
Maybe
