

# Stay

Dave Gahan

She's softly breathing next to me  
A shining angel sent to me  
From where she came it's hard to say  
Tiny star she guides my way

When we were lovers  
We both discovered

Stay, you can leave tomorrow  
Stay wait until tomorrow  
Please stay

Living here in shades of grey  
Colour she light a reason to stay  
From where she came it's hard to say  
Tiny star she guides my way

When we were lovers  
We both discovered

Stay, you can leave tomorrow  
Stay wait until tomorrow  
Please stay
