

Call On Me

Dave Hollister

If you ever call on me I'll come running whenever you need me
I'll be there all you have to do is call me
and I'll come running day or night, I'll be by your side
whenever you need some attention I just don't mean love and affection
call me if you just need someone to talk to
or a shoulder to lean on I'm here for you
I know it gets rough sometimes
no comfort you seem to find
call me
and let me relieve all your stress
and put all your doubts and fears to rest
You don't have to worry
cause I'll be there in a hurry
I want to bring the sun into your life
and take away all the rain
