

## Call On Me

Dave Hollister

If you ever call on me I'll come running whenever you need me  
I'll be there all you have to do is call me  
and I'll come running day or night, I'll be by your side  
whenever you need some attention I just don't mean love and affection  
call me if you just need someone to talk to  
or a shoulder to lean on I'm here for you  
I know it gets rough sometimes  
no comfort you seem to find  
call me  
and let me relieve all your stress  
and put all your doubts and fears to rest  
You don't have to worry  
cause I'll be there in a hurry  
I want to bring the sun into your life  
and take away all the rain
