Destiny

Dave Hollister

Mmm, mmm Can a rose petal live without water drops? Can my heart live without you? Surely not Cuz a rainbow is what you gave me everyday Now I can't go on I'm devistated Cuz you're not here Girl, I know you're not In the mood for apologies But it's killin' me to think Of what I've done to you But I realize that I was wrong And I, I don't wanna change Destiny (we're destiny) You and me, ooh, can't you see? Destiny (we're destiny, ooh girl) Now I had to face it The pain you feel from the man Who says he loves you And inside of all my tears, is fear That you'll never forgive me Ooh, I need a sign that you'll remember That vow that holds us baby Cuz true love is never unofficial It's always pure Girl, I know you're not In the mood for apologies But it's killin' me to think Of what I've done to you But I realize that I was wrong And I, I don't wanna change Destiny (we're destiny) You and me, ooh, can't you see? Destiny (we're destiny, ooh girl) Mmm, ah Whoa oh Oh, oh, oh Oh, oh, oh, oh, oh Girl, I know you're not In the mood for apologies But it's killin' me to think Of what I've done to you But I realize that I was wrong And I, I don't wanna change Destiny (we're destiny) Destiny Girl I know that I mistreated you I know that I can't live without you I know that I mistreated you I know that I can't live without you I realize That I was wrong And I, I don't wanna change Destiny, yeah (we're destiny) Destiny, yeah Oh, our destiny (we're destiny)
