

Missin' You

Dave Hollister

Oh baby, why do we have to go here you know it's not what I really wanted baby I know I messed up many times but so did you so bring your shit baby (right now) you gotta find a better way baby (some how) I know that we can work it on out baby. I was a victem of my pride now I can't hide fact that I'm missing you. Missing you

I'm missing you so whatta we gonna do about it babe cause I been all alone since you've been gone baby come back home

Now girl you know that we were meant to be so what the deal baby please tell me no other love can compare to the one we share girl I'm feining baby (so now) it gotta be a better way baby (some how) some how we got to work this shit on out baby See what I was victem of my pride now I can't hide baby the fact that I'm losing you missing you

I'm missing you so whatta we gonna do about it babe cause I'm been all alone since you've been gone baby come back home

I'm missing you so whatta we gonna do about it babe cause I'm been all alone since you've been gone baby come back home
