

Respect 2 Him (outro)

Dave Hollister

I'd like to take this time out
To give respects to the man
Who made this all possible for me
The Lord, Jesus Christ
For without him, none of this would be possible
Also, I'd like to dedicate this song to,
To all the people who's not here with me today
That were close to me
Uncle Charles, I love you man
I'm glad you got it right with God
I'm glad you up there chillin' with Him
To my man Tupac
Thanks Pac for lettin' me express myself on your records man
I hope you up there chillin' with God too man, peace
And to my father, who's still here
I love you man, this is to you
But now, back to giving God his
Lord, I thank you for everything
Now I'd like to give this back to you
Let everybody know, that you can keep 'em
Go somethin' like this

Now unto Him
That is able
To keep you from fallin', fallin'

Now unto Him
That is able
To keep you from fallin', fallin'

Now unto Him
That is able
To keep you from fallin', fallin'

Listen

Him, Him, He knows
Failure,
Him, Him, He knows
Defeat,
He who knows
God knows
Your sorrow
He who knows
God knows
Only peace

He is able, yes he is
He is able, yeah
To keep you from fallin' down
Fallin' down, yeah

Now unto Him
That is able
To keep you from fallin', fallin'
