

Round And Round

Dave Hollister

Ay yo Dave
Uh, can we do it now?
(Let's do it now)
Yeah, noontime
(Noontime)
Jazze Pha
(C'mon, c'mon)
Teddy Bishop
(That's right)
Ugh, like this
Uh, uh

Round and round and round we go
Where we stop, nobody knows
Come inside, take off your clothes
I wanna sex you from your head to toes
Baby girl, here we go

Verse one...

It's 2 o'clock, the time is right
I'm in the mood, for love tonight
So tell me girl, what do you like?
'Cause I wanna freak you if you don't mind

Actin' like the fool for you tonight
(Act a fool for you baby girl)
Girl, lemme freak your body
(Freak your body, babe)
'Cause I'll freak you right
Baby, come inside

Verse two...

It's 3 o'clock (it's 3 o'clock)
Let's get it hot
I don't wanna stop (dont stop)
'Til after 9
Pull up the sheets
Turn out the lights
And turn around, ohh baby

If you really wanna do it right now
Let a nigga know, if it's alright

Here we go baby...

Here we go now
I'mma give it to you like you want it
Uh, uh, uh
Make it hot
Jazze Pha, come on y'all

Round and round, up and down
Makin' all them freaky sounds
You the finest thang around
Let ya playboy put it down

Meet me in the smoking lounge
That's where they pass them thangs around
I got a suite at the Swiss Hotel
Room 222 - Loud as hell
It's good baby, don't be scared
I ain't gon' let you bump your head
There's a lotta things left unsaid
We can ride this squeaky bed

Shorty freak a little some'in
(Don't it make you wanna stay with me)
Don't ya know that I can keep you comin'
Baby, play with me
