

# Tell Me Why

Dave Hollister

Huh, after all I've done for you, the things you say  
The things you do, the way you treat me  
I don't deserve this, I brought you from nothin'  
And turn you into somethin' and this is the thanks I get, damn

Tell me why you say things you don't really mean  
Tell me why you always wanna fight with me  
When I gave you everything

Tell me why you wanna be so mean  
Tell me why you wanna say these things  
Baby girl, I don't understand why, why should I even try?

All the things that I did for you, how could you  
Just go and change up your ways? Girl, what did I do  
For you to just be so cold to me, mean to me?  
Why you tryin' to say things that hurt feelings?

When you know I'm giving you all of me  
When you know I'm giving you everythin'  
Why you keep comin' at me so wrong?  
Baby, all I want to know is

Tell me why you say things you don't really mean  
Tell me why you always wanna fight with me  
When I gave you everything

Tell me why you wanna be so mean  
Tell me why you wanna say these things  
Baby girl, I don't understand why, why should I even try?

Baby girl, tell me why is it always about you  
Baby why, why you doing the things you do?  
Why you always cussin' at me, fussin' at me?  
I don't deserve the way you speakin' to me

When you know I'm giving you all of me  
When you know I'm giving you everything  
Why you keep comin' at me so wrong?  
Baby, all I want to know is

Tell me why you say things you don't really mean  
Tell me why you always wanna fight with me  
When I gave you everything

Tell me why you wanna be so mean  
Tell me why you wanna say these things  
Baby girl, I don't understand why, why should I even try?

Girl, I tried to just be cool with you  
You keep tryin' to play me like a fool  
Why do you keep on testin' me constantly?  
Seems like you always been ten about somethin'

Ain't no reason for you to trip  
Ain't no reason for you to always act like this  
Baby girl, I just don't understand

Somebody tell me

Tell me why you say things you don't really mean  
Tell me why you always wanna fight with me  
When I gave you everything

Tell me why you wanna be so mean  
Tell me why you wanna say these things  
Baby girl, I don't understand why, why should I even try?

Say things you don't really mean  
Tell me why you always wanna fight with me  
When I gave you everything

Tell me why you wanna be so mean  
Tell me why you wanna say these things  
Baby girl, I don't understand why, why should I even try?
