

Tonite

Dave Hollister

Baby, I miss you, can't wait to kiss you
It's been a minute since I've seen you and the kids
Last show is over and I'm that much closer
To holding you in my arms again, I'm coming home tonite

Tonite, tonite
I can't wait till I get home
Tonite, tonite
I can't wait till I get home tonite

I'm boarding the plane now, can't wait to touch down
I hope you're ready because I am
To touch you, to feel you, only God knows, what we'll do
It's been so long now I'm coming home tonite

Tonite, tonite
I can't wait till I get home
Tonite, tonite
I can't wait till I get home

Tonite
I get to see, get to touch, get to hold the love of my life
Tonite
I'll get to show just how much I've been missing her
'Cause daddy's coming home, daddy's coming home tonite, oh yeah

Tonite, tonite
I can't wait till I get home
Tonite, tonite
I can't wait till I get home

Tonite, tonite
I can't wait till I get home
Tonite, tonite
I can't wait till I get home

Tonite, tonite
I can't wait till I get home
Tonite, tonite
I can't wait till I get home
