Only You Know And I Know

Dave Mason

Only you know and I know All the lovin' we've got to show So don't refuse to believe it By reading too many meanings

'Cause you know that I mean what I say So don't go, and never take me the wrong way You know you can't go on gettin' your own way 'Cause if you do, it's gonna get you someday

We're both here to be pleasin' Oh, no, no, not deceivin' But it's hard to believe in Ah yeah, when you've been so mistreated

'Cause you know that I mean what I say So don't go, and never take me the wrong way You know you can't go on gettin' your own way 'Cause if you do, it's gonna get you someday

If I seem to mislead you It's just my craziness comin' through But when it comes down to just two Ah, I ain't no crazier than you

'Cause you know that I mean what I say So don't go, and never take me the wrong way You know you can't go on gettin' your own way 'Cause if you do, it's gonna get you someday

Only you know and I know Only you know and I know Only you know and I know, oh yeah Only you know and I know, oh yeah, get up
