

# Shouldn't Have Took More Than You Gave

Dave Mason

Shouldn't have took more than you gave  
Then we wouldn't be in this mess today  
I know we've all gone different ways  
But the dues we have to pay are still the same

It's time to change the script for this old play  
You're readin' and not feelin' what you say  
Comin' on too strong for me to stay  
Interpret what you see in any way

It seems the simple things  
Are hardest to explain  
Wind is gonna come too soon  
And deaden all the pain  
Footprints in the snow will show  
Where the things are still the same  
Till you get the warmer sun  
Of someone else to live again

Shouldn't have took more than you gave  
Then we wouldn't be in this mess today  
I know we've all gone different ways  
But the dues we have to pay are still the same

Shouldn't have took more than you gave  
Shouldn't have took more than you gave  
Shouldn't have took more than you gave  
Shouldn't have took more than you gave  
Keep on...
