

# Crush

Dave Matthews Band

Crazy how it feels tonight  
Crazy how you make it all alright love  
You crush me with the things you do  
I do for you anything too  
Sitting, smoking, feeling high  
In this moment it feels so right

Lovely lady  
I am at your feet  
God I want you so badly  
I wonder this  
Could tomorrow be  
So wondrous as you there sleeping  
Let's go drive 'til morning comes

Watch the sunrise  
To fill our souls up  
Drink some wine 'til we get drunk  
It's crazy I'm thinking  
Just knowing that the world is round

Here I'm dancing on the ground  
Am I right side up or upside down  
Is this real or am I dreaming

Lovely lady  
Let me drink you please  
I won't spill a drop, I promise you  
Lying under this spell you cast on me

Each moment  
The more I love you  
Crush me  
Come on  
It's crazy I'm thinking

Just knowing that the world is round  
Here I'm dancing on the ground  
Am I right side up or upside down  
Is it real or am I dreaming  
Lovely lady I will treat you sweetly

Adore you  
I mean  
You crush me  
It's times like these  
When my faith I feel  
And I know  
How I love you  
Come on  
Lady

It's crazy I'm thinking  
Just as long as you're around  
And here I'll be dancing on the ground  
Am I right side up or upside down  
To each other we'll be facing

By love we'll beat back the pain

We've found

You know

I mean to tell you all the things I've been thinking deep inside

My friend

With each moment the more I love you

Crush me

Come on

Lady

So much you have given love

That I would give you back

Again and again

Meaning I'll hold you

And please

Let me always
