

Grace Is Gone

Dave Matthews Band

1. Neon shines through smoky eyes tonight
It's 2 am - I'm drunk again it's heavy on my mind
I could never love again so much as I love you
Where you end where I begin is like a river going through
Take my eyes take my heart I need them no more
If never again they fall upon the one I so adore

R: Excuse me please one more drink
Could make it strong cause I don't need to think
She broke my heart my Grace is gone
One more drink and I'll move on

2. One drink to remember then another to forget
How could I ever dream to find sweet love like you again
One drink to remember and another to forget

R: Excuse me please one more drink
Could make it strong cause I don't need to think
She broke my heart my Grace is gone
One more drink and I'll move on
One more drink and I'll be gone

3. You think of things impossible and the sun refuse to shine
I woke with you beside me your cold hand lay in mine

R: Excuse me please one more drink
Could make it strong cause I don't need to think
She broke my heart my Grace is gone
One more drink and I'll go

R: Excuse me please one more drink
Could make it strong cause I don't need to think
She broke my heart my Grace is gone
One more drink and I'll move on
One more drink and I'll be gone
One more drink my Grace is gone
