Hunger For The Great Light

Dave Matthews Band

Oh great light of love Oh great light of love Oh great light of love Oh great light of love

Here you go, you dirty girl Good God, try to love, try to, oh God's love is alive inside you You know who needs you

I wanna be your hunger I wanna see you open wide And when I go down for you I wanna blow your mind

It's my aim to kill you My aim to love you

You and I are such a pretty thing Smile, smile, you know you thrill me Cross your heart, oh, and hope to die You know I'd love to

I wanna be your hunger I wanna see you open wide And when I go down for you I wanna blow your mind

You and I, oh, oh Shine, shine

Oh great light of love Oh great light of love Oh great light of love Oh great light of love

You come, it's like an answered prayer Praise God, try to love, try to, oh I have the little death's delight Mmm, oh, I love you

I wanna be your hunger I wanna see you open wide And when I go down for you I wanna blow your mind

You, you, hey you You, you and I You, you, oh
