I drink you up
For every drop of you is sacred
Every drop I drink you up

You fill my cup
The way you laugh
Eyes of a child
Lean on me, you fill me up
You make me love
So unconditionally generous
To me you give me love
And break my heart
Slip, you fall, I pick you up and dust you off
You break my heart

Rain, rain, rain down on me
Again and again
Rain down on me

Take all you want
For what is mine is yours
No better use is there for what I've got
Take all you want
And only hope can I, you won't deny
Your love for me, my love

No, don't cry, if it's too high
I lift you up, we'll make it, make it
When I was oh so tired
You come along to wake me, wake me
Time and time, again and again
With a smile you save me child
Oh, oh, oh...

Rain, rain, rain down on me
Again and again
Rain down on me

Look, we play our cards
And I question by the grace of what
We play our cards at all
Come fill me up
Oh, fill me love when I'm empty
when I'm all dried up

No, don't cry, if it's too high
I lift you up, we'll make it, make it
Oh, I was so so tired
You come along to wake me, wake me
Time and time, again and again
With a smile you save me child
Oh, oh, oh...

Rain, rain, rain down on me
Again and again
Rain down on me

Rain, rain, rain down on me...
