Rapunzel

Dave Matthews Band

Open wide Oh so good I'll eat you Take me for a ride In your sweet delicious Perfect little mouth Thereupon I linger You will have no doubt I'll do my best for you I do

Love

Let's stop to get it going Lost myself just thinking About the two of us From each other drinking Begin with the lips Fingertips and kissing Turn me inside out I do my best for you

Up and down we go From the top you push me This is such a thrill Lost in love and dancing Shake your tambourine You blow my head open Of one thing I'm sure I do my best for you I do

For you I would crawl Through the darkest dungeon Climb the castle wall If you are my Rapunzel You let your hair down Right in through your window Good they locked the door cuz I do my best for you

I think the world of you All of my heart I do Blood through my veins for you You alone have all of me I give my world to you To you I will be true

Too good to be real Smell of something cooking My soul up to steal From the food we're filling What you've given me For it there is no measure Of one thing I know I give my best for you

I think the world of you All of my heart I do Blood through my veins for you You alone have all of me From you my strength is full To carry your burdens too I give my world to you

Hip lock up so tight You drive me crazy Crazy is all right With you looking at me You make me feel high Every single thing you do to me Is like I'm drunk I do my best for you I do
