

# Satellite

Dave Matthews Band

Satellite in my eyes  
Like a diamond in the sky  
How I wonder  
Satellite strung from the moon  
And the world your balloon  
Peeping Tom for the mother station

Winter's cold spring erases  
And the calm away by the storm is chasing  
Everything good needs replacing  
Look up, look down all around, hey satellite

Satellite headlines read  
Someone's secrets you've seen  
Eyes and ears have been  
Satellite dish in my yard  
Tell me more, tell me more  
Who's the king of your satellite castle?

Winter's cold spring erases  
And the calm away by the storm is chasing  
Everything good needs replacing  
Look up, look down all around, hey satellite  
Rest high above the clouds; no restriction  
Television we bounce 'round the world  
And while I spend these hours  
Five senses reeling  
I laugh about the weatherman's satellite eyes

Satellite in my eyes  
Like a diamond in the sky  
How I wonder  
Satellite strung from the moon  
And the world your balloon  
Peeping Tom for the mother station

Winter's cold spring erases  
And the calm away the storm is chasing  
Everything good needs replacing  
Look up, look down all around, hey satellite

Rest high above the clouds; no restriction  
Television we bounce 'round the world  
And while I spend these hours  
Five Senses Reeling  
I laugh about the weatherman's satellite eyes
