Say Goodbye

Dave Matthews Band

So here we are tonight, You and me together The storm outside, the fire is bright And in your eyes I see What's on my mind You've got me wild Turned around inside And then desire, see, is creeping Up heavy inside here And know you feel the same way I do now

Now let's make this an evening Lovers for a night, lovers for tonight Stay here with me, love, tonight Just for an evening When we make Our passion pictures You and me twist up Secret creatures And we'll stay here Tomorrow go back to being friends

Go back to being friends But tonight let's be lovers, We kiss and sweat We'll turn this better thing To the best Of all we can offer, Just a rogue kiss Tangled tongues and lips, See me this way I'm turning and turning for you Girl, just tonight

Float away here with me An evening just wait and see But tomorrow go back to your man I'm back to my world And we're back to being friends Wait and see me, Tonight let's do this thing All we are is wasting hours until the sun comes up it's all ours On our way here Tomorrow go back to being friends

Go back to being friends Tonight let's be lovers, say you will And hear me call, soft-spoken whispering love A thing or two I have to say here Tonight let's go all the way then Love I'll see you, Just for this evening Let's strip down, trip out at this One evening starts with a kiss Run away

And tomorrow

Back to being friends Lovers, love, lovers Just for tonight, one night, love you And tomorrow say goodbye
