

Smooth Rider

Dave Matthews Band

Last night no way
I was gonna be left hungry
Then your daddy caught me sneaking out your bed
It's just a game I play
It's just a roll that way
These things sweet baby,
Are messing with your head

I'm a smooth rider baby
You know I just keep moving on
Don't know why I like to carry on
The way i do
It's just that I'm in love with you

If you see me out there runnin'
And you hear the sheriffs comin'
Your daddy's crazy with that gun in his hand
If you know they're comin' for me
And you know they're runnin' for me
You my love won't let them keep me away

I'm a smooth rider baby
You know I just keep movin' on
Don't know why I like to carry on
The way I do
It's just that I'm in love with you

If you see me out there runnin'
And you hear the sheriffs comin'
Your daddy's crazy with that gun in his hand
If you know they're comin' for me
And you know they're runnin' for me
You my love won't let them keep me away

I'm a smooth rider baby
