

Spaceman

Dave Matthews Band

1. Probably get it wrong much as I get it right
But I got it right woman when I caught your eye
What I remember most about that night is
I love the way you move baby
Yes I love the way you move baby
2. I like most liquor but I don't like gin
I don't always like the skin I'm in
When I get it wrong I gotta start again
Still I love the way you love me baby
And I love the way you move I love the way you move

R: All the freaks are on parade
I wanna fill my belly so I gotta get paid
Doesn't everybody deserve to have the good life
But it don't always work out
So cry cry baby if we must
But just remember just remember

I love the way you love me baby
And I love the way you move

3. Not all bad but I'm a faithful sinner
I might get lost but I'll be home for dinner
If God don't like me he can send me to hell
But I love the way you love me girl
I love the way you move
4. I prayed to heaven to keep my place
But I looked in the mirror saw the devil's face
I'd be a dog for a tail to chase
But I love the way you kiss me baby
And I love the way you talk baby you move I love the way you move

R: All the freaks are on parade...

I love the way you move baby
And I love the way you love me baby

5. Bad days come when the good days gone
Working as hard as the day is long
A workin man works when I get home
I love the way you talk baby
I love the way you talk baby

R: All the freaks are on parade...

*: All the are on parade
Thought I saw a spaceman trying to get laid
Doesn't everybody deserve to have the good life
But it don't always work out
So cry cry baby if we must
But just remember just remember

I love the way you love me baby
And I love the way you move
