

# Squirm

Dave Matthews Band

1. Please find your place  
Though room grows scarce  
One we're all inside  
The service can begin  
For a moment if you please  
Forget what you believe  
And naked you will see  
That we are all the same

2. The power of your kiss  
Your words your lips  
Your flesh your bones  
Exactly what you need  
Your flesh your bones  
Exactly what you need  
Drum beats louder  
Drum beats louder

3. Why should  
I feel intrusion  
Why be afraid of what  
We do not understand  
To eliminate  
Cut out the differences  
To feel like we belong

Drum beats louder  
Drum beats louder  
Drum beats louder  
Drum beats louder

R: Open up your head open up you primitive  
Open up your mouth and  
Open up your head ooh sweet primitive  
Open up your mouth  
It's coming out

4. Out there no food  
No drink  
How many days do you think  
You'd last with all your  
Diamonds and your pearls  
I'm not a king no  
Not a hero not a fool  
I'm not perfect  
I'm flesh and bones  
And I'm exactly what you need

Drum beats louder  
Drum beats louder

R: Open up your head...

Open up your head scream sweet primitive  
Tell me what you said

5. The power of your kiss  
Your words your lips  
There's not a gun to your head  
You're gonna die before you're dead  
It's not sad when you're gone  
But when the light's still on  
And your wings won't let you fly  
Don't be dead before you die

6. Hunger 'til fed  
Give love instead  
And when it gets inside  
Watch the dead man squirm  
Above all things  
If kindness is your king  
Then heaven will be yours  
Before you meet your end

R: Open up your head... (2x)
