

Stand Up (For It)

Dave Matthews Band

[The devil speaks]

Boys... Get up y'all!
Stand Up!

I woke up to the angels
Singing in my head
You look so good naked next to me
(There's) an angel in my bed

Stand Up!

I feel like a drug is cookin' in my veins
Still I'm so out of my mind
I'll shoot you up again
Stand Up! etc...

[mumble man]
Water save my soul

Stand Up! [etc]...

Smell like smoke and fire it's burning in us all.
You dropped me in the water
Lift me up save my soul

Stand Up!
