

Steady as We Go

Dave Matthews Band

I'll walk halfway around the world
Just to sit down by your side
And I would do most anything, girl
To be the apple of your eye
Well troubles, they may come and go
But good times, they're the gold
And if the road gets rocky, girl
Just steady as we go

Any place you wanna go
Know I'll be next to you
If it's treasure, baby, you're looking for
I'll search the whole world through
I know troubles, they may come and go
But good times, they're the gold
So if the road gets rocky, girl
Just steady as we go

When the storm comes down you shelter me
When I don't say a word and you know exactly what i mean
In the darkest times, oh, you shine on me
You set me free and keep me steady as we go

So if your heart wrings dry, my love
I will fill your cup
And if your load gets heavy, girl
I will lift you up
Well troubles, they may come and go
But good times be the gold
So if the road gets rocky, girl
Just steady as we go

Shine, shine, shine
Shine on me
