

# Steady as We Go

Dave Matthews Band

I'll walk halfway around the world  
Just to sit down by your side  
And I would do most anything, girl  
To be the apple of your eye  
Well troubles, they may come and go  
But good times, they're the gold  
And if the road gets rocky, girl  
Just steady as we go

Any place you wanna go  
Know I'll be next to you  
If it's treasure, baby, you're looking for  
I'll search the whole world through  
I know troubles, they may come and go  
But good times, they're the gold  
So if the road gets rocky, girl  
Just steady as we go

When the storm comes down you shelter me  
When I don't say a word and you know exactly what i mean  
In the darkest times, oh, you shine on me  
You set me free and keep me steady as we go

So if your heart wrings dry, my love  
I will fill your cup  
And if your load gets heavy, girl  
I will lift you up  
Well troubles, they may come and go  
But good times be the gold  
So if the road gets rocky, girl  
Just steady as we go

Shine, shine, shine  
Shine on me
