

What Would You Say

Dave Matthews Band

1. Up and down the puppies' hair
fleas and ticks jump everywhere 'cause of original sin
down the hill fell jack and jill
and you came tumbling after 'cause of original sin

Rip away the tears drink a hope to happy years
and you may find a lifetime's passed you by

- R: What would you say don't drop the big one
if you a monkey on a string drop don't cut my lifeline
if you a doggie on a chain don't bite the mailman
what would you say

2. I was there when the bear ate his head
thought it was a candy everyone goes in the end
knock knock on the door who's it for
there's nobody in here look in the mirror my friend

I don't understand at best and cannot speak for all the rest
the morning's rise a lifetime's passed me by

- R: What would you say...

Every dog has its day every day has its way of being forgotten
mom--it's my birthday what would you say
what would you say

3. I was there when the bear ate his head
thought it was a candy everyone goes in the end
knock knock on the door who's it for
there's nobody in here look in the mirror my friend

I don't understand at best and cannot speak for all the rest
the morning's rise a lifetime's passed me by
what would you say
